

## This waste does not belong in the sewage

Food remains, organic waste, all types of packaging

Oil for frying, grease for frying, oil from deep frying pans

Acids, poisons, solvents, machine oils, remains of paints and dyes

Nappies/diapers, sanitary towels, preservatives, cotton buds, razor blades

Stockings, underwear

Cat droppings, cement water, cigarette butts

This waste does not belong in the sewage and should not be disposed of in toilets, cisterns, street drains, floor drains.

This waste contaminates the canals and can lead to damage in the pumping equipment and in the ARA. It unnecessarily complicates sewage treatment.

The waste can be disposed of at the respective waste dumping grounds of the municipalities or at the collection centres of the canton.

The AVG thanks you for your contribution to clean water in Glarnerland.
